garment-O

WHY GARMENT-O

Tired of carrying **heavy design catalogues** to showcase your clients?

Thousands of designs, but **no digital platform** to showcase them all?

Clients finding it **difficult to visualise** the look of your designs on the final product?

SWITCH TO
GARMENT-O!

"Garment-0" can be integrated onto new websites or existing websites and can be viewed across all devices and platforms helping businesses gain a competitive edge and spread their brand in 3D!
Let the consumers share the looks with their friends and social media pages!

"Garment-0" – An Online 3D Garment Visualizer helps businesses showcase thousands of designs on their website and allowing consumers and clients visualise and view them on to 3D Models of garments such as Shirts, T-Shirts, trousers etc

Drag to move around

SHOWCASE YOUR DESIGNS IN 3D!

Simply **CLICK** on the fabric design to check out the look of the **Final Product**
